

## **Birthday Party Information**

### **Can someone have a birthday party on the farm?**

Yes, we happily facilitate Birthday Parties on the farm! We just need to check dates and ensure a birthday co-ordinator is available to run it on the day.

### **What will happen on the day?**

We provide a Party Coordinator who will ensure that the event runs smoothly and everyone has the best time. Parties will have exclusive use of our Gallery or Eco-Pod throughout and can explore the farm. Please be aware Stepney is a working Farm and other activities and workshops may be taking place.

### **Are there additional activities that can take place?**

Yes – we run a mix 'n' match type service where someone can just hire one of Rooms, or can add different activities. They can opt to have a animal, gardening or craft workshop. This may include planting something from seed, handling and feeding our small furry creatures, creating a money box or bunny egg cups or making a tin lantern but we can tailor it to their age group / needs. Please be aware on Sunday, classes run from 10-12, 1-3 and 4-6pm (this last slot is winter only) keeping noise levels to a minimum during the first 45 minutes of each class would be appreciated.

### **How much does it all cost?**

Our standard fee for the Gallery, which can hold up to 15 children with adults, is **£105 for a 2hr party**. The room and party co-ordinator will be available 30 minutes before and after your 2 hour booking to help with setting up and tidying away.

The cost of the Eco-Pod, which can hold up to 30 children with adults, including the party co-ordinator for a **2 hour party is £175.00**.

An additional £100 refundable damage deposit will be required for the rooms, which will be returned on clearance of the room after the party.

Gardening or animal activities are **£2.50 per head**. Craft workshop costs vary depending on the activity. Woodworking, pottery and metalworking are available.

## **What about food?**

Our award winning café and catering team can provide a range of menu options from sandwiches, pizza, and other snacks to something a little different; please consult with our chef and the café team. A basic food package including sandwiches and a sweet treat costs from **£5.00 per person plus 12.5% service charge for groups of 6 or larger**. A range of cakes and Birthday cakes can be specially ordered through the café. Drinks, other food and ice creams are also available through the café.

## **How does someone book a party or find out more information about any of this?**

Contact the Farm on 020 7790 8204 or email [Thuy@stepneycityfarm.org](mailto:Thuy@stepneycityfarm.org)

Full payment will need to be taken upon booking to secure the use of the room; the deposit can be paid by card in the cafe.
