Community Christmas Trees

Dear Friends,

Stepney City Farm and Community Christmas Trees – Ambition Aspire Achieve

I have taken the opportunity of contacting you on behalf of Community Christmas Trees - Ambition, Aspire, Achieve, a seasonal social enterprise, now in its ninth year.

We are once again working with Stepney City Farm offering beautiful real Christmas trees that are:

1. Sourced from sustainable plantations fully approved by the British Christmas Tree Growers Association.

2. Freshly cut just a few days before delivery to you – ensuring that they hold their beauty and needles throughout the festive season.

3. Competitively priced and delivered to you on an arranged date.

Maintaining Covid Safety – our delivery team will be wearing masks, gloves and their temperature will have been checked before making the delivery to the farm. Any bases purchased will have been left standing for 72 hours before delivery and saniyised before leaving our depot in delivery day.

The entire trading surplus will be donated to our partner charity Ambition, Aspire Achieve (charity reg no. 1167816) to further their charitable activities with disadvantged, vulnerable and at risk children. You can find out more details about Ambition, Aspire, Achieve and their work at www.theaaazone.com.

We will also donate £5.00 for every tree purchased by a supporter of Stepney City Farm to Stepney City Farm on receipt of your payment for the tree.

All trees purchased through Stepney City Farm will be delivered to Stepney City Farm for you to collect on Sunday December 6th.

We are now open for orders. I attach for your information:
