Dear Friends,

I have taken the opportunity of contacting you on behalf of **Ambition, Aspire, Achieve - Community Christmas Trees**, as you have very kindly purchased your real Christmas tree(s) from ourselves in previous years.

Established in 2011 by Ambition Aspire Achieve Founder **Kevin Jenkins OBE**, we hope to continue to build on the success of the enterprise, in memory of Kevin who very sadly passed away in 2021. Once again, we are offering beautiful real Christmas trees that are:

- Sourced from sustainable plantations fully approved by the British Christmas Tree Growers Association.
- Freshly cut just a few days before delivery to you - ensuring that they hold their beauty and needles throughout the festive season.
- Competitively priced and delivered to your door on a pre-arranged date.

The entire trading surplus will be donated to Ambition Aspire Achieve (charity reg no. 1167816) to further our work with over 800 disadvantaged, vulnerable and at-risk children - support which is needed more than ever for the coming year.

We will also donate £5.00 for every tree purchased by a supporter of Stepney City Farm to Stepney City Farm on receipt of your payment for your tree(s).

All trees purchased through Stepney City Farm will be delivered to Stepney City Farm for you to collect on **Sunday 3rd December 2023**.

To ensure that we are able to provide you with the best quality Christmas trees this year, please submit your order form no later than **Monday 20th November 2023.**
